THE RULE- OF THE SEA. : (Pull Mall:Gazelle.) With regard to the collision of the Bombay and the Onside, Sir John Pakington doubted whether the existing "rules of the road at sen" were as good as they could be minde. Wo sucpeet there can be no doubt whatever shout the matter and those circumstances of the nooldent about which both English and American witpesses were agreed are sufficient to prove this. For if the vessels distinguished each other's lighte at a distance of from one to three miles. it is clear that if the rules were as plain and imple as they could made, either the collision must have been avoided, or there need buye been no hesifation whatever in pronouncing on the parties in fault. Further, if we understood in charge of the Oneida was right in an order he gave from an American point of view; implying that ife might have been wrong according to the regulations furnished for the guidance of Eng. itali ahipa. Is it possible that there is no racognized international code of rules-that ships of different intionalities may stear upon differthat the Russians content themselves with so | out principles, that both may be technically in little, but I suppose the time is not ripe for the right while they are sending each other to

Alta California, April 22nd.) For several mout'ss past a well planned and Mancharia must be infinided. It is not to be a gang of desperate Chinamen, who are under supposed that the Russians will be content the leadership of the notorious Ali Suly, whose with a barren territory like Mongolia; Having | name has been mixed up in many of the Ohinese the Mongols with them, the Russians are man- wars and conspiracies in this city. Indeed, ha ters of the north of China whetever at suits them | has been ariented a number of times on the to take possession. The Mongola have no lik. most serious charges, always managing to

the benefit the introduction of railways, &c., to pay visits either to the dens where the women without which these mineral sare of no value to lare confined, or to the wash-houses of their countrymen, the latter being the principal victims preyed upon within the last few weeks. A party of them, armed to the teeth, would conversation, would make their demand. Five a wash hojise, charging the parties with robbery.
